Fundraising:

Full-paying participants' fundraising expectations:

Through social, educational, and environmental service

Global Leaders Empowers Students

to create positive and sustainable change at home and abroad.

All full-paying participants are expected to raise \$700.00 above and beyond the program fee. This money pays for project costs in Ghana and/or financial aid and allows students to take ownership of the fundraising process. It is important that all students participate in fundraising, regardless of need. You and your donors will decide where your fundraised money will be distributed (local projects, Ghana projects or financial aid for other students).

Financial aid participants fundraising expectations:

To qualify for the GL FAFP (Financial Aid and Fundraising Program), you must be on the free and reduced lunch program or have an income that falls within our sliding scale. **In addition to the required 60 hours of community service, you will work an equivalent number of “Work & Earn” hours (at \$20 in GL “Bucks” per hour) to honor your award.**

Students seeking financial aid must understand and complete the following steps:

1. Fill out an FAFP worksheet and turn in with your \$50 deposit by Wednesday, 9/28/16.
2. Have an interview with our Program Director, Laurel, to create a payment plan that works for your family
 - This plan will be a combination of what you can afford to pay, the award you request, and how much you think you can fundraise, based on the guidelines on the FAFP form.
 - If you raise more money than your goal, you will be supporting other financial aid students, or the Guatemala project fund, additional fundraising does not decrease the amount your family has agreed to pay.
3. You will be given a financial aid award for the remainder of the program cost after your payment goal and fundraising goal; the maximum award for Ghana is \$2650.
4. Under our Work & Earn program, you'll be responsible for honoring your award by completing Work & Earn hours
 - GL pays \$20 in GL “Bucks” per Work & Earn hour – that means for a \$2650 award, you owe 132 hours, for a \$1,000 award you owe 50 hours
 - You will create a plan to complete your Work & Earn hours at the beginning of the year, so that you're prepared to meet the additional responsibility – there is a worksheet in your GL folder to help!
5. You're responsible for logging your Work & Earn hours through our online portal

ALL STUDENTS PLEASE NOTE: what your family agrees to pay at the beginning of the year is what your family pays, regardless of your fundraising. If you fundraise an amount greater than your goal, that money goes toward projects and scholarship, not toward your own program costs.

Fundraising Opportunities for ALL participants:

GL offers several fundraising opportunities that all students have access to in order to reach their fundraising goals. Some of these fundraisers are required! Last year, students averaged \$900 each in fundraising.

Strategy Matters! Consider the following:

- You will be taking part in three fundraisers – not every person in your network is going to be interested in supporting all three (or any!)
- Take time at the beginning of the year to plan who would be a best fit for each fundraiser. For example:
 - o Out of town family and friends are the best candidates for letters
 - o You may not want to send letters to local supporters (coaches, neighbors, family, youth group leaders, etc) who would be more likely to attend the auction
 - o Coffee can be sold in so many different ways: door-to-door, at parents' work places, at church or community center. Check out your fundraising planning form for more ideas!
